Mahaley, Jr., Associate Director of Graduate Medical Education, Duke University School of Medicine about foreign graduates coming there and obtaining licensure. He particularly mentioned physicians coming there on sabbatical. This matter was discussed by the Board.

The Board also discussed the deans appearing at one of the meetings.

VERDICT: Dr. Frank Edmondson moved that the Board hear the entire problem with the deans at our meeting in December and see if we can arrive at any solution that will be beneficial; that a committee be appointed to study this matter. This motion was seconded by Dr. Bryant L. Galusha and passed. Dr. Hooper dissented.

The president appointed the following committee: Dr. Galusha, Chairman, Dr. Frank Edmondson and Dr. E. Wilson Staub.

RE: Dr. Robert E. Gardner - The secretary reported that Dr. Gardner had been requested to appear at this time but due to the fact that he had planned some postgraduate training out of the state he asked to be allowed to appear at a later date, which request was granted by the secretary.

RE: Dr. William M. Bethune appeared at the request of the Board for a routine interview. He stated that he had had some depression, for which he had gone into the hospital for treatment; that he had not taken any drugs; that he was getting along all right. Report from his physician presented. To be seen in January, 1973.

RE: Legal Counsel - The secretary presented letter from the AMA announcing a meeting to consider the Federal Government's contention that the Federal Supremacy Clause of the United States Constitution provides it with a right to override that of the states to determine who shall qualify to practice medicine in the state and how it shall be practiced.

VERDICT: Dr. H. Lee Large, Jr. moved that the Board send John H. Anderson, Attorney, to the meeting in Chicago. This motion was duly seconded and passed.

RE: Audit - The Board directed that the same be reviewed at the December, 1972 meeting for comparison.

RE: Budget - Proposed 1973 - Dr. H. Lee Large, Jr. moved that the same be brought up at the December, 1972 meeting as a comparison. This motion was duly seconded and passed.

RE: Dr. Jack Foster, Eden, North Carolina - The secretary related that Dr. Foster had requested the name of the individual who originally supplied the Board with information about him.

VERDICT: Dr. Bryant L. Galusha moved that Dr. Jack Foster be informed that the Board gets its information from various sources which it considers privileged information. This motion was duly seconded and passed.

RE: Dr. Leon R. Staton, Hayesville, North Carolina - The secretary related to the Board the report received from Dr. Samuel O. Poole of Gainesville, Georgia.

VERDICT: Dr. Joseph W. Hooper moved that the State Bureau of Investigation agent or pharmacist be asked to give a report on how Dr. Staton is doing. The motion was seconded and passed. The secretary was also instructed to write Dr. Staton.

RE: Dr. Bobby Oliver Heafner, Stony Point, North Carolina - The secretary presented report from Dr. Heafner's physician, Dr. Walter N. Long, Jr., which was satisfactory. The secretary was directed to request Dr. Heafner to appear at the January, 1972 meeting and get report from Dr. Long.

RE: Dr. Harry Duff Riddle, Gastonia, North Carolina, was requested to appear pursuant to a report from the Bureau of Narcotic and Dangerous Drugs and from the Pharmacy Board that he was treating narcotic addicts for withdrawal with methadone. Dr. Riddle came in and went into some detail about the time he was spending with addicts in his treatment and effort to assist them and that if they did not abide by his treatment and directions he refused to treat them. He was advised that the Board was impressed with his dedication; however, that it was apparently irregular to prescribe methadone for as long as 10 weeks unless licensed as a drug center; ~~that~~ it was the concensus of most people that addicts should be withdrawn in a period of one or two weeks. After deliberation the Board made the following Verdict: Dr. Joseph W. Hooper, Jr. moved that the Board advise Dr. Riddle that he is in violation of the law and that the Board will not condone what he is doing; that it is imperative that he get within the law. That the Board recommend that Dr. Riddle see Mr. F. E. Epps, Acting Director of the North Carolina Drug Authority within seven days and ascertain that has to be done to abide by the regulations. That Dr. Riddle be requested to report to this Board in writing by November 1st, 1972. This motion was seconded by Dr. Frank Edmondson and passed.

Dr. Riddle was informed by the president of the preceding action. (See file for complete interview).

RE: Dr. Maryjean Heafer appeared August 4th, 1972 applying for license by endorsement of credentials. She was requested to furnish additional information with regard to hospital commitments for alcoholism. Following that meeting Dr. Heafer withdrew her application, requested return of credentials and refund of fee, which was done. Dr. Heafer has written and called on the phone asking if she can reply. The secretary stated that he had replied to her letter.

The Board directed the secretary to advise Dr. Heafer that she could reapply and it would be necessary to furnish the desired information.

RE: Corporation - Out of State - The secretary reported that a physician practicing in this state, incorporated in another state, has petitioned to domesticate an out of state corporation in North Carolina.

VERDICT: Dr. Joseph W. Hooper, Jr. moved that John H. Anderson, Attorney, be requested to give an opinion and advise the physician of this opinion. This motion was duly seconded by Dr. Bryant L. Galusha and passed.

RE: October, 1973 - Dr. Frank Edmondson moved that this meeting be held at the Blockade Runner, Wrightsville Beach October 12-13th, 1973. This motion was duly seconded by Dr. V. W. Taylor and passed.

RE: Federation Meeting - Dr. Joseph J. Combs moved that the Board send Mrs. B. J. Cooke to the 1973 Federation meeting and pay her expenses. This motion was duly seconded and passed.

The meeting was adjourned.

Sunday, October 8th  
9:30 A. M.

RE: Fifth Pathway - The secretary presented information with regard to Americans in schools outside of the United States where they do not complete postgraduate training there required to receive an M. D. degree and in turn return to this country for postgraduate training. This matter was discussed by the Board.

VERDICT: The president instructed the secretary to answer letters replying that the law requires an M. D. degree.

RE: Dr. Roscoe D. McMillan, Red Springs, North Carolina - Pursuant to report from the Bureau of Narcotics that Dr. McMillan was prescribing an exorbitant amount of narcotics, he was requested to appear at this time. (See file for interview)

The Board advised Dr. McMillan that it was concerned about him personally and wanted to help him in this problem. After deliberation the Board made a list of those patients listed in the report, who were getting large amounts of drugs and requested that Dr. McMillan cease to treat them. He was told that this did not imply that he was not to use his good judgment in the treatment of other patients. He was advised that they would want to see him at the December, 1972 meeting, at which time he should bring his daily log and order book.

The meeting was adjourned.
